*注意事項

鑑於《香港增補字符集》在大五碼編碼使用者造字區內預留的碼位之無法擴充，中文界面諮詢委員會決定由二零零八年三月三十一日起，只會繼續提供《香港增補字符集》ISO/IEC 10646 國際編碼版本相關的支援，而不會繼續為《香港增補字符集》內新收的字符提供使用者造字區的大五碼編碼。於二零零八年三月三十一日前已獲編配碼位的《香港增補字符集》字符，一概不受影響，繼續使用。有關上述的安排詳情，請瀏覽網頁

http://www.ogcio.gov.hk/ccli/unicode/hkscs/revised_principles.html

或聯絡中文界面諮詢委員會秘書處。

以上列表中9個(序號60-68)在二零零八年九月公布的字符，其審核及相關碼位之編配於二零零八年三月三十一日修訂增收原則生效前已完成，是最後一批獲編配大五碼編碼的《香港增補字符集》字符。

6個(序號 39,55,59,63,65和68) 未收納在 ISO/IEC 10646:2003 的字符已被提交到國際標準化組織，考慮納入ISO/IEC 10646標準，有關審議亦正在進行中，暫定碼位(見下表)僅供參考之用，最終碼位之編配以ISO 10646公布的版本為準。關於制訂 ISO/IEC 10646:2003 修訂版的程序，請瀏覽以下網頁

http://www.ccli.gov.hk/tc_chi/info/info_iso3.html。

*Notes:

In view of the inextensibility of the Big-5 code points in the User-Defined Area reserved for the Hong Kong Supplementary Character Set (HKSCS), the CLIAC will only continue to provide HKSCS ISO/IEC 10646 version related support starting from 31 March 2008. All newly accepted HKSCS characters after 31 March 2008 will not be assigned Big-5 code points. All code points assigned to the HKSCS characters before 31 March 2008 will not be affected.

For the details of the above arrangement, please browse our web page

http://www.ogcio.gov.hk/ccli/eng/hkscs/revised_principles.html

or contact the Secretariat of the CLIAC.

In the above table, the 9 characters (S/N 60-68) published in September 2008 have been examined and assigned the corresponding code points before 31 March 2008, the effective day of the Revised Principles for the Inclusion of Characters in the HKSCS. These 9 characters are the last batch of HKSCS characters assigned with Big-5 code points.

The 6 characters (S/N 39,55,59,63,65 and 68) not included in the ISO/IEC 10646 have also been submitted to the International Organization for Standardization (ISO) for consideration to be included into the ISO/IEC 10646 standard and the review of them is in progress. Their tentative code points (as shown in the table below) are for reference only. The final assignment of the code points should refer to the release of the ISO 10646 document. The progress of the formulation of the ISO/IEC 10646 amendments is available at the following URL: http://www.ccli.gov.hk/tc_chi/info/info_iso3.html (Chinese version only).
