

## Success Story of Project Completed for the Government

30 June 2006

**Project Owner:** Customs and Excise Department

**Project Name (in English):** Design, Updating and Maintenance of Customs and Excise Department's Homepage

**Project Name (in Chinese):** 設計, 更新及維護香港海關網站

**Project Description:** To provide Design, Updating and Maintenance of C&ED's Homepage as well as design and development of seasonal greeting e-cards and sending platform for C&ED.

**Means of Service Acquisition:** via C&ED tender (Ref. C&E ODA GR/6-15/2 II)

**Contractor Name:** Creasant Digital Limited

**Subcontractor Name:** ---

**Project Commenced on:** 2005/07/01

**Project Completed on:** 2006/06/30

In this project, Creasant Digital is required to do the followings,

- Updating of any html, javascript, flash, pdf, cgi in C&ED Homepage;
- Regular updating of the Homepage on a half-yearly basis;
- Urgent updating of the Homepage upon request from user;
- Enhancement of the contents and/or the layout of the Homepage;
- Updating of press release, monthly statistics, organizational charts, Notice of Seizures, uploading of publications etc;
- Provision of seasonal greetings for Christmas, New Year and Lunar New Year by means of, but not limited to, electronic card systems;
- Content maintenance and hosting of the electronic cards system for C&ED;

Creasant Digital Limited successfully completed and delivered the design, updating and Maintenance of C&ED's Homepage project. The C&ED website was updated and maintained following the design of existing website which adopted most of the Common Look and Feel (CLF) designs, standards and guidelines. The seasonal greetings electronic card for Christmas, New Year and Lunar New Year has also delivered with positive and supportive feedbacks from users of C&ED.
