Contractor Name: Fujitsu Hong Kong Limited

Subcontractor Name : Not Applicable

Project Commenced on : 22 January 2003

Project Completed on : 18 August 2003

Housing Accounting and Financial Information System was built on Geac SmartStream. The System was migrated from SmartStream version 6.0.03 to 6.5.02 with the database from Sybase 11.5 to 12.0 and the custom built functions. HAFIS has several subsystems including Ledger, Payable, Cost Allocation, Receivables, Cash Receipting and Management Reports.

The migrated system and custom programs were tested in the same manner as a development project, from installation test, system test to user acceptance test.
