

Report of progress of initiatives under Hong Kong/Guangdong Cloud Expert Committee

**Pilot adoption of the Cloud Security
Management Scheme**

EGCCSS Meeting 19 September 2014

Flow of the Pilot Adoption

Updates

- * Local industry players have been engaged for participating in the pilot adoption of the cloud assessment scheme as an initiative of GD/HK cloud expert collaboration.
- * Two local industry players signed NDA with the GD scheme developer in May 2014.
- * As of September 2014, one of the players has completed a self-assessment questionnaire and received the analysis report. An onsite audit will be conducted in October.
- * The cloud assessment scheme has been planned to be launched in early 2015.
