Success Story of Project Completed for the Government

Date: 30 October 2014

Project Owner: Food and Environmental Hygiene Department

Project Name (in English): Hard Disk Drive Data Recovery

Project Name (in Chinese): 硬碟數據復原

Project Description: Provision of data recovery service for a defective hard drive

Means of Service Acquisition: Quotation

Contractor Name: IntelliRecovery Int'l (HK) Ltd.

Project Commenced on: 9 Oct 2014

Project Completed on: 30 Oct 2014

On 2014 Oct 9, a failed hard disk drive was sent to IntelliRecovery Hong Kong. User had absolutely no access to their vital data. Hard drive failed due to severe firmware conrruptions with magnetic degradation.

Result: All data has been recovered by IntelliRecovery. The successful charge is HK$9,500.00.
