web-accessibility.hk

Web Accessibility Recognition Scheme

- To promote web accessibility design in Hong Kong
- To commemorate organisations/companies that support an inclusive society with accessible website/mobile app

- Comply with the legal requirement on protection against disability discrimination
- Fulfill social responsibility and project positive corporate image
- Reach more customers by making online services easy-to-use and easy-to-search by everyone
- Make online services easier-to-maintain by adopting the good coding practices of web accessibility design
- Contribute to building a caring and inclusive society

Web Accessibility Recognition Scheme

- Hong Kong Internet Registration Corporation Limited (HKIRC) organised Web Accessibility Recognition (WARS 18/19), with OGCIO as co-organiser
- Next WARS (WARS 2020-21) will be open to application in Q4 2019
  - If any, changes in judging criteria will then be announced
  - Email Invitation will be sent to pass entrants
  - Promotion will be conducted through HKIRC's Facebook, eDM and other channels
