

Success Story of Project Completed for the Government

Date <29 Jun 2020>

Project Owner: Human Resources Planning Commission (secretariat support provided by the Human Resources Planning and Poverty Coordination Unit under the Chief Secretary for Administration's Private Office)

Project Name (in English): Manpower Information Portal

Website: <https://www.talent.gov.hk/>

Project Name (in Chinese): not applicable

Project Description:

The portal comprises of:

- Integrated occupation database covering more than 300 occupations
- A database on local courses listed in the Qualifications Register and large-scale open online courses (e.g. Open edX) listed in a major overseas education platform;
- Consolidated listings of government job vacancies and tens of thousands of vacancies from several key local private job boards;
- A monthly online magazine named "Explorer", which introduces trending topics concerning careers and workplaces; and
- Career quizzes for users to explore suitable occupations.

Means of Service Acquisition: procurement by quotation exercise

Contractor Name: Cherrypicks Limited

Subcontractor Name: Nil

Project Commenced on: 11 April 2019

Project Completed on: website launch date: 1 Dec 2019, on-going maintenance till 30 Nov 2020

Highlighted Scope

- A one-stop portal developed by the Commission to provide consolidated human resources information to the public to facilitate decision-making in respect of their career, training and development pathways.
- The website consolidates human resources information and data from different sources with a view to providing more comprehensive information to the local labour force and to assist them in making informed choices with respect to their career choices, training and development pathways.
- Responsive website for users to stay abreast of new trends on the job market anytime on-the-road
- A Content management system is developed for the Human Resources Planning and Poverty Coordination Unit to maintain the contents of the monthly magazine online
