

Objection to the 2014 DIGITAL 21 STRATEGY

My name is Bobby CHUI. I am writing to object the proposed 2014 Digital 21 Strategy scheme.

The internet world is a free world for everybody. It requires no licensing or any form of application and approval. It is free to express my will at anytime. It is creative.

The above proposal is a limitation or restriction to the free expression.

I strongly object to the 2014 Digital 21 Strategy

Best regards.

Bobby CHUI
